

# VALUE AND IMPACT CHECKLIST

## Ideas to Show Your Value and Make an Impact

- Share a recent win in a team meeting and connect it to business impact.
- Offer a quick solution or resource to someone struggling with a problem.
- Update your LinkedIn profile with a recent accomplishment or project.
- Ask a powerful question in a meeting that drives better decision-making.
- Summarize key insights from a project and share them with your leader
- Volunteer to present or give an update at your next team or cross-functional meeting.
- Identify one metric you improved this week and highlight it in your status report.
- Proactively reach out to a peer or stakeholder to strengthen the relationship.
- Reflect at the end of the week: What visible impact did I create, and how will I share it?
- Send a thank-you email highlighting a colleague's contribution (and copy leadership when appropriate).
